

Bass Lake Classic Triathlon

Thank you for your participation in the Bass Lake Classic Triathlon. This year's race was a tremendous success. There were no major medical problems, we raised \$5000.00 for charity, and if it weren't for abnormally cold weather the race would have had it all. But we cannot control the weather. I hope you all appreciate the job that our tremendous volunteers have done. They were excellent and they are the reason that Bass Lake works. Congratulations to all of the award winners. I hope that you all will return to our race next year. We will make you the promise of the best possible race that we can produce for you. Have a good winter.
